

International Conferences as Invited Speaker

Congress: Symposium: Olive Oil as a Functional Food with High Potential

Place: Santiago de Chile, Chile

Title: Olive Oil and Health

Year: 2018

Congress: International Meeting: The Mediterranean Diet: Science, Tradition and Needs for Action

Place: Vallo de la Lucania, Italy

Title: Diet and Cardiovascular Prevention: Anti-inflammatory and Anti-oxidant Potential of the Mediterranean Dietary Model

Year: 2014

Congress: World Forum for Nutrition Research Conference: Mediterranean Foods on Health and Disease.

Place: Reus, Spain

Title: Virgin Olive Oil: A Key Food in the Mediterranean Diet

Year: 2013

Congress: París Polyphenols 2012

Place: París, Francia

Title: Randomized Controlled Trials on Olive Oil Polyphenols Benefits for Human Health

Year: 2012

Congress: IV International Meeting on Table Olives

Place: Córdoba, Spain

Title: Beneficial effects of olive oil products on health

Year: 2012

Congress: 3rd International Congress of Cardiology (ICC -2011)

Place: Beijing, China

Title: Modulation of Cardiovascular Risk Predictors by Diet: A Nutrigenomic Approach

Year: 2011

Congress: International Conference on Polyphenols and Health

Place: Sitges, Barcelona, Spain

Title: Olive Oil and Health

Year: 2011

Congress: European Hypertension Society Summer School Meeting

Place: Castelldefels, Barcelona, Spain

Title: Mediterranean diet and Cardiovascular risk.

Year: 2011

Congress: Olive Oil and Health. Expolivo 2010

Title: Olive Oil and Chronic Degenerative Diseases

Place: Catamarca , Argentina

Year: 2010

Congress: Society of Free Radical Research Meeting 2010

Title: Modulation of Oxidative Stress and Metabolic Syndrome by the Mediterranean Diet and the Olive Oil.

Place: Oslo , Norway

Year: 2010

Congress: International Conference on Excellence in Olive Oil.

Title: Olive Oil and Health

Place: Davis, CA , USA

Year: 2009

Congress: Innovation Day Sovena. IDS is about IDEAS

Title: Olive Oil and Health Claims

Place: Porto, Portugal

Year: 2009

Congress: White Wine and Health

Title: White wine and oxidative stress: The Soave Study

Place: Soave,Italy

Year: 2008

Congress: 6th European Federation for the Science and Technology of Lipids (Euro Fed Lipid)

Title: Olive Oil, Nutrition, and Consumers

Place: Athens ,Greece

Year: 2008

Congress: 5th International Meeting in Advances in Antioxidants (Trace Elements , Vitamins, and Polyphenols)

Title: Olive Oil and the Cardiovascular System

Place: Monastir (Tunis)

Year: 2008

Congress: 15ème Session du Groupe d'Experts " Consommation, Nutrition et Santé". Organisation Internationale de la Vigne et du Vin (OIV).

Title: Wine and oxidative stress: evidence up to date of the benefits of moderate wine consumption in humans

Place: Paris, France

Year: 2008

Congress: Internacional Conference on Wine Active Compounds

Title: In vivo disposition of phenolic compounds from wine in humans: Bioactive effects.

Place: Beaune, France

Year: 2008

Congress: Internacional Functional Food Symposium: Health Benefits of Plant Polyphenols

Title: Bioactive Effects of Olive Oil Phenolic Compounds in Humans

Place: Hong Kong ,China,

Year: 2008

Congress: Conferenza Internazionale sulle produzioni mediterranee: Olio, vino e cereali. (U.N.A.S.A Conference)

Title: Olive Oil as a Functional Food

Place: Parma, Italy

Year: 2008

Congress: II International Conference on Olive Oil and Health

Title: Minor components of olive oil: effects on health

Place: Córdoba-Jaen , Spain

Year: 2008

Congress: Wine and Human Health Symposium

Title: Accademia delle Scienze. Città del Vaticano (Italy)

Place: In vivo disposition of phenolic compounds from wine in humans.

Year: 2007

Congress: Session du Groupe d'Experts " Consommation, Nutrition et Santé".

Organisation Internationale de la Vigne et du Vin (OIV)

Title: Resveratrol Disposition in Humans

Place: Paris (France)

Year: 2007

Congress: International Conference on Mediterranean Diet and Health

Title: The Mediterranean Diet and its role in the prevention of Cardiovascular Diseases

Place: New Delhi, India

Year: 2007

Congress: 28th Congress of the European Society for Clinical Nutrition and metabolism (ESPEN)

Title: Bioactive components of the Mediterranean Diet. Prevention of Chronic Diseases

Place: Istanbul, Turkey

Year: 2006

Congress: 4th European Federation for the Science and Technology of Lipids (Euro Fed Lipid) Congress

Title: The effect of olive oil on oxidative damage in European populations. The EUROLIVE Study

Place: Madrid, Spain

Year: 2006

Congress: Satellite of the 14th International Symposium on Atherosclerosis. Physical Activity, Exercise and Cardiovascular Health

Title: Physical activity and its effects on novel and classical risk factors.

Place: Bologna/Forli , Italia

Year: 2006

Congress: 13^{ème} Session du Groupe d'Experts " Vin et Santé". Organisation Internationale de la Vigne et du Vin (OIV)

Title: Bioavailability Phenolic Compounds from wine. Biological effects.

Place: Paris, France

Year: 2006

Congress: Workshop Focus su Sicurezza d' Uso e Nutrizionali degli Alimenti

Title: Bioavailability and Antioxidant Effects of Olive Oil Phenolic Compounds in Humans

Place: Roma, Italy

Year: 2005

Congress: XXVIth World Congress of the International Society for Fat Research (ISF)

Title: Bioavailability and Biological Effects of Olive Oil Phenolic Compounds in Humans

Place: Praga, Czech Republic
Year: 2005

Congress: XVIIth International Epidemiology Association (IEA) World Epidemiology Congress
Title: Effect of olive oil and its phenolic compounds on reduction of heart disease risk factors
Place: Bangkok, Thailand
Year: 2005

Congress: Internacional Olive Oil Council- Expert Panel
Title: Antioxidant effect of olive oil phenolic compounds in humans
Place: Madrid, Spain
Year: 2005

Congress: International Conference of Olive Oil and Health
Title: Chairwomen of the Session: Scientific evidence of the beneficial effects of olive oil minor components
Place: Jaén, Spain
Year: 2004

Congress: FEBS Special Meeting. 45th International Conference on Bioscience of Lipids
Title: Bioavailability and Biological Effects of Olive Oil Phenolic Compounds
Place: Ioaninna, Grecia
Year: 2004

Congress: 1st International Conference on Polyphenols and Health
Title: Polyphenols and Cardiovascular Disease
Place: Vichy, France
Year: 2003

Congress: Wine and Health
Title: Postprandial effects of wine consumption on lipids and oxidative stress biomarkers
Place: Marsala, Italy
Year: 2003

Congress: Workshop on coronary heart disease prevention in Southern Europe: adapting to the paradoxes
Title: The Mediterranean diet and cardiovascular disease prevention
Place: Barcelona, Spain
Year: 2002

Congress: Scientific Session of the International Meeting on Olive Oil
Title: Antioxidant olive oil phenolic compounds: effect of olive oil ingestion
Place: Reus (Tarragona, España)
Year: 2002

Congress: Wine and Health
Title: Bioavailability of Tyrosol, an Antioxidant Phenolic Compound Present in Wine and Olive Oil, in Humans
Place: Marsala, Italy
Year: 2002

Congress: Third International Conference on Natural Antioxidants and Anticarcinogens in Food, Health and Disease

Title: Antioxidant olive oil phenolic compounds: effect of olive oil ingestion
Place: Helsinki, Finland
Year: 2001

Congress: Unilever 2001 World Olive Oil Conference
Title: Antioxidant effect of olive oil
Place: Roma, Italy
Year: 2001

Congress: Alcohol and Wine in Health and Disease Conference. New York Academic of Sciences
Title: Scientific Aspects which justify the benefits of the Mediterranean diet.
Place: Palo Alto, California (EEUU)
Year: 2001

Congress: 6th Congress of the Mediterranean Society of Clinic Pharmacology
Title: Protective factors for coronary heart disease : antioxidant effects of olive oil
Place: Tunisia, Tunisia
Year: 2000

National Congresses as Invited Speaker

Congress: Symposium: Polyphenols, Virgin Olive Oil and Health Claims
Place: Zaragoza, Spain
Title: The EUROLIVE Study: Providing the scientific basis for thr Healthn Claim concerning polyphenols in olive oil.
Year: 2017

Congress: XVI Congress of the Catalano- Balear Society of Internal Medicine
Place: Barcelona , Spain
Title: Prevention of Cardiovascular Disease and Cancer by the Mediterranean Diet
Year: 2016

Congress: Symposium on Olive Oil and Health
Place: Toledo, Spain
Title: Primary Prevention of Cardiovascular Disease by the Mediterranean Diet
Year: 2016

Congress: EXPOLIVA
Place: Jaen, Spain
Title: Olive Oil: A history linked to the that of the humankind
Year: 2015

Congress: VI Meeting on Healthy Nutrition and New Foods
Place: Granada, Spain
Title: The impact of Olive Oil and the Mediterranean Diet on gene function and health
Year: 2013

Congress: V Meeting on Updating Diabetes. Catalan Society of Family and Comunity Medicine
Place: Barcelona, Spain
Title: Mediterranean Diet and Type II Diabetes. The PREDIMED **Study**
Year: 2013

Congress: 25th Congress of the Spanish Atherosclerosis Society
Place: Reus, Spain
Title: Healthy lifestyles and cardiovascular diseases
Year: 2012

Congress: 1st Meeting on Health Claims. CITOLIVA
Place: Mengíbar, Córdoba, Spain
Title: Olive Oil and Health Claims
Year: 2012

Congress: Symposium CIBEROBN
Place: Málaga, Spain
Title: "Nutrigenomic effect of Olive Oil Polyphenols in the context of the Mediterranean Diet
Year: 2011

Congress: XXXIII Congress of the Spanish Society of Pharmacology
Place: Málaga, Spain
Title: Olive oil and cardiovascular risk factors
Year: 2011

Congress: Scientific Session of the Catalan Nutrition Center (CCNIEC)
Place: Reus, Tarragona, Spain
Title: Functional olive oils: a nutrigenomic approach
Year: 2011

Congress : Health Claims in Europe
Title: Olive Oil and Health Claims
Place: Soria, Spain
Year: 2011

Congress: EXPOLIVA. XV Simposio científico Técnico
Title: Nutrigenomic effects of olive oil polyphenols
Place: Jaén, Spain
Year: 2011

Congress: 3rd International Symposium: New Frontiers in Obesity and Nutrition.
Title: The Mediterranean Diet and the Cardiovascular Risk
Place: Santiago de Compostela (Spain)
Year: 2009

Congress: XXXI Asamblea del Instituto de la Grasa
Title: The EUROLIVE Study: The effect of olive on oxidative damage in European populations
Place: Sevilla, Spain
Year: 2004

Congress: Scientific Session of the 25 years of the REGICOR Study
Title: The diet of the Girona population
Place: Girona, Spain
Year: 2003
